Beloved Community of The Center of Peace:

As we stand on the threshold of our 25th year, I pause in deep reverence and joy to thank you—each radiant soul—for being the channels of abundance through which Spirit has flowed for 24 extraordinary years. You are the living vessels of generosity, love, and Divine possibility. Because of you, The Center of Peace has blossomed into a sanctuary of transformation, joy, and sacred connection. **Gratitude is the Heartbeat of Abundance!** We would like to thank you by inviting you to join us for our Gratitude Luncheon/Jam Session at TCP on November 9<sup>th</sup>, during our Sunday Celebration Service.

We are being called to acknowledge and celebrate the overflowing abundance and prosperity that surrounds us—not as something to grasp, but as something to share. We are reminded to open our hearts, receive with grace, and let the blessings flow through us into the world. This is how we create peace—by living from the infinite self-knowingness of God and allowing abundance to be a shared experience.

Together, we step boldly into the next chapter with clarity and celebration. Our goals are:

- 1. 25th Anniversary Celebration – A jubilant honoring of our journey, “25 Years of Light, Love, and Legacy”. It will be a party of purpose and praise.**
- 2. Dynamic Fellowship – We will create vibrant opportunities for connection both within our sacred space and beyond our four walls. Fellowship will become a living practice of joy, inclusion, sacred giving, and spiritual adventure.**
- 3. Ongoing Spiritual Growth – We commit to nurturing each person’s divine unfolding. As we experience The Divinity within, we become radiating light and love wherever we go.**

I invite you to support TCP’s vision of changing lives. This is not just a mission—it is a movement. You are not just members—you are co-creators. Let us continue to build a community where Love is felt, abundance is shared, and peace is made real. Please take some time to go within before consciously committing to giving monthly, let your heart move you.

**Our Goal for 2026: \$22,000 Monthly**

I give thanks for our awareness of Spirit (Our Divine Mind) as the source of our Divine abundance, and for you being the channels through which it appears. You can consciously commit on our website, newsletter, bulletin board, and in-person at our Gratitude Luncheon.

May we continue to create experiences of openness, joy, and divine receiving.

With eternal gratitude and love,
